No. C 12-1674 EMC (pr)

Plaintiff,

v.

**ORDER TO SHOW CAUSE WHY
ACTION SHOULD NOT BE DISMISSED**C/O SEAN BURRIS; *et al.*,

Defendants.

On March 10, 2015, this action was referred to Magistrate Judge Vadas for mediation proceedings in the *Pro Se* Prisoner Mediation Program. Docket # 65. Magistrate Judge Vadas then set a settlement conference for June 19, 2015 at the California State Prison - Solano, and issued a writ of habeas corpus ad testificandum to obtain Plaintiff's appearance at the settlement conference. On June 9, 2015, Magistrate Judge Vadas held a telephonic status conference regarding the upcoming settlement conference, at which time Plaintiff stated that he would refuse to go to the scheduled settlement conference. Magistrate Judge Vadas then informed Plaintiff that his failure to attend the settlement conference could be grounds for dismissal. On June 17, 2015, prison officials informed Magistrate Judge Vadas that Plaintiff (who currently is housed at Corcoran) refused to be transported to the California State Prison - Solano to attend the settlement conference. Due to Plaintiff's non-appearance, Magistrate Judge Vadas was unable to conduct the June 19, 2015 settlement conference and returned the action to the undersigned.

Plaintiff's refusal to attend the settlement conference must now be addressed. Accordingly, Plaintiff is **ORDERED TO SHOW CAUSE** why this action should not be dismissed for failure to prosecute and/or failure to comply with a court order. Plaintiff must file a written response to this

1 order to show cause no later than **July 20, 2015**, and his response must be made under penalty of
2 perjury. In his response, Plaintiff must explain each and every reason why he did not attend the
3 settlement conference, and may provide any other information he believes may explain why this
4 action should not be dismissed due to his refusal to attend the settlement conference.

5 Defendants may submit evidence and argument replying to Plaintiff's response to later than
6 **August 3, 2015**.
